"In My Nature"

Visit "[In My Nature](#)" on MotoLyrics.com

featuring Angie Griffin

* This is the only version heard on the 12" so it may or may

not be the same track as "The Best of JT Money & the Poison Clan"

DRUGZ: Yo Debonaire there's that girl you tried to talk to!

DEB: Word!

DRUGZ: Hey yo baby c'mere yo why you tryin' to front on my man

Debonaire?

ANGIE: Debonaire?

DRUGZ: Yeah.

ANGIE: Uh uh. All the girls tell me that he's no good.

DRUGZ: Oh, aaight, I ain't gon' argue, but yo, wussup with me? My name is

Drugz!

ANGIE: Look, all you Poison Clan brothers are no good.

Verse 1: Debonaire

Debonaire's bad and so I'm called the Devil's Dad

I kick the funky stuff because I'm rough, and I'ma add

That, girls, I cold leave 'em, I totally deceive 'em

I soothe and then relieve 'em, and then you best believe I'm,

Outie-5000, and I find another bitty

They tell me it's a pity, I want to get the whole city

Girl, so don't you be shocked, you best to get set

Women say I'm sick, but ask me have I seen a vet yet?

Naw, I just keep on, I keep hoe-in'

I keep goin' nowhere and, I can't stop and so in

About a two year period I think I'll put Jim in,

Wait up, lemme see, well, about a hunderd women

(Damn!) Because of that, lots of women wanna hate ya

But I'm sayin', yo, it's in my nature!

Chorus: Angie

According to the Poison Clan, you can never trust a
man

I know a man would fool around, but I still can't
understand

Verse 2: JT Money

Lovin' and leavin', that's what I believe in

Yo! I only think about me when I'm skeezin'

So, women get mad and call me everything from A to Z

But I don't care, 'cause you know, I'm the J to T,

To the dollar sign, and you will hardly find

Another brother with a pipe game as good as mine

So I flaunt the gift that I was given

And don't ask because you know how I'm livin'

(True.) Bein' in love's for the birds; I ain't a pigeon

They say love is blind; I got 20/20 vision

(Word.) So if you don't want your feelings hurt,
Don't be on my back like you a Poison Clan t-shirt
And when I tell you these things, it's not to make you
Mad at me, but you should know it's in my nature

Chorus

Verse 3: Debonaire

Women crowd around and say, "Look how insane he
acts!"

When they need to check out Drugz and Uzi, man,
they're maniacs

It's facts that I'm kickin', so girl, ain't nothin' made up

I'm talkin' on a straight-up,

but still you're sayin' to hold up and wait up

You think I'm lyin', while talkin' of my nature then

It's not my fault that all the women wanna hate ya when

People can't help it, they shouldn't wanna hate ya,

But they think it's voluntary, not just in my nature

DRUGZ: Yo, now you see what I'm sayin'?

Yo, Debonaire and JT, they ain't got no flavor, but I'm
versatile!

ANGIE: Uh-uh, 'cause y'all run the same ol' game, day
after day.

DRUGZ: Oh, naw, not me, baby, I'm different!

ANGIE: Look, birds of a feather flock together.

DRUGZ: Hey yo, my name is Drugz, and I change up
like the weather!

Chorus

Verse 4: JT Money

People say the things I do to women make 'em rowdy
Lie to get down, bang the boots, then I'm outie
5 on a mission, see I'm not dissin'
As long as there's fish in the sea, I'll be fishin'
'Cause one's not enough; I ain't a wimp, I'm a pimp,
And uh, I ain't lonely for no relationships!
You wanna be the girl that I hate? I ain't frontin'
'Cause this ain't the A-Team, slim, You Gets Nothin'
No money, no clothes, or a lil' kiss
None of that unless you like gettin' dissed!
I act this way, not because I hate ya,
But you should know, it's in my nature
Chorus, repeat till fade
