It's kind of a low blow  
Not the one I got but the one you gave  
It's really too soon to know  
How much of you there will be left for me to save

Well he's a scallywag  
I have another friend that he did the same thing too  
And then he brags  
And he'll kiss and tell me  
Kiss and tell me every time you do

Monte Carlo  
Coronado II  
The Sandiago Zoo  
Or a hundred nights with you wont change my mind

You got me shiny shiny  
You gonna shine  
You gonna shine  
Shine in pretoria  
You gonna shine, oh mighty shine  
You gonna shine in shinny  
You gonna shine, oh mighty shine

You rang and she called early  
You were laughin and she was asking can we still be  
friends  
And you likely to think sometimes you'll miss me  
And too never ever land where the stories never ever  
ever ever ever ever end

And Monte Carlo  
Cornado II  
And the Sandiago Zoo  
Or a hundred nights with you won't change my mind

And Monte Carlo  
Coronado II  
The Sandiago Zoo  
Or a hundred nights with you won't change my mind  
Won't change my mind

Won't change my mind
