Words and music by Sting
The afternoon has gently passed me by
The evening spreads its sail against the sky
Waiting for tomorrow
Just another day
God bid yesterday goodbye
Bring on the night
I couldn't spend another hour of daylight
Bring on the night
I couldn't stand another hour of daylight
The future is but a question mark
Hangs above my head there in the dark
Can't see for the brightness

Is staring me blind
God bid yesterday goodbye
Bring on the night
I couldn't spend another hour of daylight
Bring on the night
I couldn't stand another hour of daylight
Bring on the night
I couldn't spend another hour of daylight
Bring on the night
I couldn't stand another hour of daylight
I couldn't stand another hour of daylight
(repeat and fade)
