Every breath you take and every move you make
Every bond you break
Every step you take, I'll be watching you
Every single day and every word you say
Every game you play
Every night you stay, I'll be watching you
Oh can't you see you belong to me?
How my poor heart aches with every step you take
Every move you make and every vow you break
Every smile you fake
Every claim you stake, I'll be watching you
Since you've gone I've been lost without a trace
I dream at night
I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby please
Oh can't you see you belong to me?
How my poor heart aches with every step you take
Every move you make
And every vow you break

Every smile you fake

Every claim you stake, I'll be watching you

Every move you make

Every step you take, I'll be watching you, I'll be
watching you

Every breath you take

Every move you make

Every bond you break

Every step you take, I'll be watching you

Every single day

Every word you say

Every game you play

Every night you stay, I'll be watching you

Every move you make

Every vow you break

Every smile you fake

Every claim you stake, I'll be watching you

Every single day

Every word you say

Every game you play

Every night you stay, I'll be watching you

Every breath you take

Every move you make

Every bond you break

Every step you take, I'll be watching you

Every single day

Every word you say
Every game you play
Every night you stay, I'll be watching you
Every move you make
Every vow you break
Every smile you fake
Every claim you stake, I'll be watching you
Every single day
Every word you say
Every game you play
Every night you stay, I'll be watching you
Every breath you take
Every move you make
Every bond you break
Every step you take, I'll be watching you
