Words by Sting, music by Stewart Copeland

Wake up

Make up

Bring it up

Shake up

Stand by

Don't cry

Watching while the world die

Big car

Movie star

Hot tip

Go far

Blind date

Too late

Take a bus

Don't wait

It's alright for you

It's alright for you

It's alright for you

For you and you and you and you and you

It's alright for you

It's alright for you

It's alright for you

For you and you and you

Limp wrist

Tight fist

Contact

No twist

Black dress

No mess

Mm, don't want no less

[No less]

Stand by

Don't cry

Watching while the world die

Three lane

Fast lane

Standing in the cold rain

It's alright for you

It's alright for you

It's alright for you

For you and you and you and you and you
It's alright for you
It's alright for you
It's alright for you
For you
Headlight
High life
Can't sleep
Good night
Up tight
Big fight
Big deal
Too right
[Too right]
Big town
Don't drown
Jump back
Turn around
No life
Flick knife
Finish off my life
It's alright for you
It's alright for you
It's alright for you
For you and you and you and you and you
It's alright for you
It's alright for you
It's alright for you
For you
