There's a little black spot on the sun today  
It's the same old thing as yesterday  
There's a black cat caught in a high tree top  
There's a flag-pole rag and the wind won't stop

I have stood here before inside the pouring rain  
With the world turning circles running 'round my brain  
I guess I'm always hoping that you'll end this reign  
But it's my destiny to be the king of pain

There's a little black spot on the sun today  
That's my soul up there  
It's the same old thing as yesterday  
That's my soul up there  
There's a black hat caught in a high tree top  
That's my soul up there  
There's a flag-pole rag and the wind won't stop  
That's my soul up there

I have stood here before inside the pouring rain  
With the world turning circles running 'round my brain  
I guess I'm always hoping that you'll end this reign  
But it's my destiny to be the king of pain

There's a fossil that's trapped in a high cliff wall  
That's my soul up there  
There's a dead salmon frozen in a waterfall  
That's my soul up there  
There's a blue whale beached by a springtime's ebb  
That's my soul up there  
There's a butterfly trapped in a spider's web

That's my soul up there

I have stood here before inside the pouring rain  
With the world turning circles running 'round my brain  
I guess I'm always hoping that you'll end this reign  
But it's my destiny to be the king of pain

There's a king on a throne with his eyes torn out  
There's a blind man looking for a shadow of doubt  
There's a rich man sleeping on a golden bed

There's a skeleton choking on a crust of bread

King of pain

There's a red fox torn by a huntsman's pack  
That's my soul up there  
There's a black-winged gull with a broken back  
That's my soul up there  
There's a little black spot on the sun today  
It's the same old thing as yesterday

I have stood here before inside the pouring rain  
With the world turning circles running 'round my brain  
I guess I'm always hoping that you'll end this reign  
But it's my destiny to be the king of pain

King of pain  
King of pain  
King of pain  
I'll always be king of pain  
I'll always be king of pain  
I'll always be king of pain  
I'll always be king of pain
