Once that you've decided on a killing
First you make a stone of your heart
And if you find that your hands are still willing
Then you can turn a murder into art

There really isn't any need for bloodshed
You just do it with a little more finesse
If you can slip a tablet into someone's coffee
Then it avoids an awful lot of mess

chorus
Because it's murder by numbers
one two three
It's as easy to learn as your ABC
Murder by numbers
one two three
It's as easy to learn as your ABC

Now if you have a taste for this experience
And you're flushed with your very first success
Then you must try a twosome or a threesome
And you'll find your conscience bothers you much less

Because murder is like anything you take to
It's a habit-forming need for more and more
You can bump off every member of your family

And anybody else you find a bore

(chorus)

Now you can join the ranks of the illustrious
In history's great dark hall of fame
All our famous killers were industrious
At least the ones that we all know by name

But you can reach the top of your profession
If you become the leader of the land
For murder is the sport of the elected
And you don't need to lift a finger of your hand

Because it's murder by numbers

one two three
It's as easy to learn as your ABC
Murder by numbers
one two three
It's as easy to learn as your ABCDE

One two three
ABC
One two three
ABC
One two three
ABC

Because it's murder by numbers
one two three
It's as easy to learn as your ABC
Murder by numbers
one two three
It's as easy to learn as your ABCDE
