Words and music by Sting

No time for the complexities of conversation

No time smiles, no time for knowing

No time for the intricacies of explanation

No time for sharing, even less for showing

If I could

I'd slow the whole world down

I'd bring it to it's knees

I'd stop it spinning round

But as it is

I'm climbing up an endless wall

No time at all

No time this time

No time at all

No time this time

No time for a quick kiss at the railway station

No time for a suitcase, sandwich and a morning paper

Only time for time tables, calls and transportation

No time to think no time to dare

If I could

I'd slow the whole world down

I'd bring it to it's knees

I'd stop it spinning round

But as it is

I'm climbing up an endless wall

No time at all

No time this time

No time at all

No time this time

If I could

I'd slow the whole world down

I'd bring it to it's knees

I'd stop it spinning round

But as it is

I'm climbing up an endless wall

No time at all

No time this time

No time at all

No time this time

No time at all

No time this time

No time at all  
No time this time  
No time at all  
No time at all...
