Worsd by Sting, music by Stewart Copeland

It's all a game

You're not the same

Your famous name

The price of fame

Oh no

Try to liberate me

I said oh no

Stay and irritate me

I said oh no

Try to elevete me

I said oh no

Just a fallen hero

Don't wanna hear about the drugs you're taking

Don't wanna read about the love you're making

Don't wanna hear about the life you're faking

Don't wanna read about the muck they're raking

You sang your song

For much too long

The songs they're wrong

The bread has gone

Oh no

Try to liberate me

I said oh no

Stay and irritate me

I said oh no

Try to elevete me

I said oh no

Just a fallen hero

Don't wanna hear about the drugs you're taking

Don't wanna read about the love you're making

Don't wanna hear about the life you're faking

Don't wanna read about the muck they're raking

It's all a game

You're not the same

Your famous name

The price of fame

Oh no

Try to liberate me

I said oh no

Stay and irritate me

I said oh no  
Try to elevate me  
I said oh no

Don't wanna hear about the life you're faking  
Don't wanna read about the muck they're raking  
Don't wanna find out what you've been taking  
Don't wanna read about the love you're making  
Don't wanna hear about the life you're faking  
Don't wanna read about the muck they're raking  
Don't wanna find out what you've been taking  
Don't wanna read about the love you're making  
Don't wanna hear about the life you're faking  
Don't wanna read about the muck they're raking  
Peanuts, peanuts  
Peanuts  
(Ad lib) [This is what it really is]
