My sisters and i
Have the wish before we die
And it may sound strange
As if our minds are deranged
Please don't ask us why
Beneath the sheltering sky
We have this strange obsession
You have the means in your possession

Tea in the sahara with you
Tea in the sahara with you

The young man agreed
He would satisfy their need
So they danced for this pleasure
With a joy you could not measure
They would wait for him here
The same place every year
Beneath the sheltering sky
Across the desert he would fly

Tea in the sahara with you
Tea in the sahara with you

Tea in the sahara with you
Tea in the sahara with you

The sky turned to black
Would he ever come back
They would climb a high dune
They would pray to the moon
But he'd never return
So the sisters would burn
As their eyes searched the land
With their cups still full of sand

Tea in the sahara with you
Tea in the sahara with you

Tea in the sahara with you
Tea in the sahara with you
