(Verse 1)

Ever since you left  
The sky is blank  
The stars are fading  
And so is your face  
(And I want you to know)

(Chorus)

(I regret) letting you go  
(I regret) not begging you to stay  
(All of these things) I wanted to say  
(Now I'm asking) Why'd you go away

(Verse 2)

Your like a broken record  
Playing everyday  
And how I can't forget  
What you said that day  
(And I want you to know)

(Chorus)

(I regret) letting you go  
(I regret) not begging you to stay  
(All of these things) I wanted to say  
(Now I'm asking) Why'd you go away

(Verse 3)

Now time is moving slow  
When your not here with me  
But I'm not that alone  
And I want you to see

(Alternated Chorus)

(I don't regret) letting you go  
(I don't regret) not begging you to stay  
(All of these things) I'm not gonna say  
(Now ya know) I'm better off this way

(End)

Ever since you left  
The sky is blank  
The stars are fading

And so is your face  
And I want you to know  
I'm better off this way
