(Verse 1)

One too many
Two too few
Girl I raise my eyes
When I look at you
You talk the talk
And you walk the line
Good gau baby girl
Your looking fine
And your, one too many to talk too
And your, two too few to mess with
And I think I got the lovers flu
Which up untill now I thought was a myth
And my mind is going round and round
And I don't know what to do
But if I think I got a shot
Then I'll take the time and I'll dance with you
'Cause your one too many
Two to few

(Verse 2)

Two too dull
One too fun
Girl I think your sweet
As a honey bun
But you think you're too good for me
And there is some place you'd rather be
But I think you are mistaken
I can be quite fun
And if we start to dance tonight
I might delude that you're the one
And girl I aught a tell you what
You're hot as the sun
And if I start to like you girl
Then I might start to call you hon'
But that's cause you're two do dull
One to fun
