(Verse 1)

Empty shell  
Clear blue skies  
Paint upon the wall  
Forgotten Lies  
What is now  
What was then  
What I'd do  
To see you again

(Chorus)

You left to soon  
You didn't say goodbye  
I didn't get the chance  
To even ask why  
Man it hurts  
God it sucks  
All I want to say  
Is What The F%\$\*  
It happened so fast  
What was done  
I guess it's time  
I'm not the one

(Verse 2)

Unheard screams  
Ignored cries  
Broken dreams  
Shattered skies  
Should I have emotion  
Should I have tone  
I guess it doesn't matter  
I'm alone

(Chorus)

You left to soon  
You didn't say goodbye  
I didn't get the chance  
To even ask why  
Man it sucks  
God it blows  
What happened

No one knows  
It happened so fast  
What was done  
I guess it's time  
I'm not the one

(Ending)  
What is now  
What was then  
What I'd do  
To see you again  
Should I have emotion  
Should I have tone  
Guess it doesn't matter  
I'm alone
