(Verse 1)

Girl your the center of my irony  
Cause you sure as heck ain't the one for me  
Though you were as hot as a whistle, and thin as a pin  
Girl lovin' you was as sure as sin  
And I'm not quite sure where I have been

(Verse 2)

Though it was fun at first it didn't last  
Cause there wasn't nothing you put me past  
You called me a thief, and named me the liar  
But Now I'm Taking One Road Higher  
You may be on a roll, but I'm on fire

(Verse 3)

I'd pay a billion of anything to be freed  
Cause girl you ain't even got me half-weak-kneed  
But girl you think your the one for me  
But girl you ain't the one for me  
But I think I found the one for me
