Polkadot Cadaver ''Dry''

Visit "Dry" on MotoLyrics.com

I caught it in the face Coming around again I thought it was worth waiting You're caught up in my head Wet sides from time to time But mostly I'm just dry

You leave me dry You leave me dry You leave me dry

You've come all this way No hair out of place You put it on the stage You put right in my face

You leave me dry You leave me dry You leave me dry

No water well in sight No water at my sides I'm sucking on the well I'm sucking 'till I'm white

But you leave me dry You leave me dry You leave me dry You leave me dry You leave me dry
