Threw my bad fortune  
Off the top of  
A tall building  
I'd rather have done it with you

Your boy's smile  
Five in the morning  
Looked into your eyes  
And I was really in love

In chinatown  
Hung over  
You showed me  
Just what I could do

Talkin about  
Time travel  
And the meaning  
And just what it was worth

And I feel like  
Some bird of paradise  
My bad fortune  
Slipping away

And I feel the  
Innocence of a child  
Everybody has  
Something good to say

Things I once thought  
Unbelievable  
In my life  
Have all taken place

When we walked through  
Little italy  
I saw my reflection  
Come right off your face

I paint pictures

To remember  
You're too beautiful  
To put it into words

Like a gypsy  
You dance in circles  
All around me  
And all over the world

And I feel like  
Some bird of paradise  
My bad fortune  
Slipping away

And I feel the  
Innocence of a child  
Everybody has  
Something good to say

And I feel like  
Some bird of paradise  
My bad fortune  
Slipping away

And I feel the  
Innocence of a child  
Everybody has  
Something good to say

So I take my  
Good fortune  
And I fantasize  
Of our leaving  
Like some modern-day  
Gypsy landslide  
Like some modern-day  
Bonnie and Clyde

On the run again ( on the run again )  
On the run again ( on the run again )  
On the run again ( on the run again )  
On the run again ( on the run again )
