Oh oh my my my
My bed's up all night
Work me till I moan
Drives me out of my mind

Why it's so hard
You're made out of cold steel
Why it's so hard
Music man running my wheel

Just keep me burning

Just keep me yearning
Put my whole body on fire
Burning whole body desire

Why it's so hard
Yeah taking me over
Why it's so hard
My cold steel soldier

Harder x3
Vow

Oh oh make me beg
He's sweet in my bed
Work me till I'm done
Mad dog can sure hunt

Why it's so hard
Daddy made out of cold steel
Why it's so hard
C'mon daddy drive my wheel

Harder x3
Wow

Why it's so hard
You're taking me over
Why it's so hard
My cold steel soldier

Harder x3
Yeah
