Speak, I'm listening  
Baby, I'm your sweet thing  
Believe what I'm saying  
God's truth, I'm not lying

I lie steady  
Rest your head on me  
I'll smooth it nicely  
Rub it better 'till it bleeds

And you'll believe me  
Caught out again  
I'm calling you weak  
Getting even

And i, I was joking  
Sweet babe, let me stroke it  
Take, I'm giving  
God's truth, I'm not lying

And you'll believe me  
I, i, I'm calling you in  
And I'll make it better  
I'll rub 'till it bleeds

I'll rub it until it  
I'll rub it until it, hey!  
I'll rub it until it  
I'll rub it until it

I'll rub it until it, hey!  
I'll rub it until it  
I'll rub it until it  
I'll rub it until it
