Black out crazy, makin' babies
Dead soul, Jesus Christ can't save me
The walls drip sweat in cheap motels
Without a doubt, should have pulled out

Teen spirits an awful smell
When cast into a mid-west hell
Terminated, there were two
The life we spared was you

Heart spasms, slow decay
I can't look the other way
Your dedication I admire
As you set my world on fire
With your legs spread open wide
You invite me to cum inside
And I give and take my turn
With lessons never learned

Snuff films shot in super 8's
Swallow, suck and masticate
Playing doctor, lick your wounds
Filling up your waiting room
Candles burn in pitch black space
The Ouija board spells out your name
The sex, the drugs, the decadent life
Plagued and cursed like a Kennedy wife

Make an example of me
Wake up sleeping beauty

Heart spasms, slow decay
I can't look the other way
Your dedication I admire
As you set my world on fire
With your legs spread open wide
You invite me to cum inside
And I give and take my turn
With lessons never learned

Tied to the whipping post

Give me everything you've got
Little demons swirling in my head
A kiss goodnight and off to bed

I'm a dirty bird
A filthy little pig
Thank you sir, may I have another?
Beaten to a bloody pulp
Thank you sir, may I have another?

Rock-n-roll is a dangerous business
Just another victim, can I get a witness?
Laying in ruin, smoking in bed
Skullfuck the crowd gathered off with their heads

Speaking
Of a Devil
Just as she appears
I've had general
Well, pangs
For a calendar year
Fanning
The flames as
Temptation
Burns higher
Lust is
A cheap and
Unforgiving
Desire

Make an example of me
Wake up sleeping beauty

Heart spasms, slow decay
I can't look the other way
Your dedication I admire
As you set my world on fire
With your legs spread open wide
You invite me to cum inside
And I give and take my turn
With lessons never learned

Black out crazy, makin' babies
Dead soul, Jesus Christ can't save me

You can't hide from me
I can see you

Fanning
The flames as
Temptation

Burns higher
Lust is
A cheap and
Unforgiving
Desire
