Going up, going up
Going up, up, up
Going up, going up
Going up, up, up

Going up, going up
Going up, up, up
Going up, going up, oh

Like a bubble
Headed for trouble
Wind is blowing
In the wrong direction
I was headed into danger
Too much in love to see

I pledged my trust in him
Believed in everything
Just had me on a string
And then he let me blow away

(CHORUS)
And now it's going
Up, up, up in a puff of smoke
It ain't no joke the way
He broke my heart
Going up, up, up in a puff of smoke
And I'm all choked up inside
To see my dreams just
Turn into ashes and all my
Hopes go up in a puff of smoke

Going up, going up
Going up, up, up
Going up, going up, oh

I aspire, took me higher than
A rocket on it's way to Heaven
Couldn't see those dangers coming
Cause I was flying blind

It hurt me deep inside

And broke my foolish pride
That my sweet talking guy
Was only talking lies

(CHORUS)

He took me higher than a kite
Then dropped me like a light
Going up, up, up, up, up, up, up, up
Thought I had a chance
But let me set you down
Going up, up, up, up, up, up, up, up

Ooh, ooh, yeah
Going up, up, up, up, up, up, up, up

Going up, up, up in a puff of smoke
Ooh, yeah, yeah, yeah, yeah
Going up, up, up in a puff of smoke
Ooh, yeah, yeah, yeah
Going up, up, up in a puff of smoke
