You are constant  
Constant to me

Though you're distant  
You are my shadow  
Constantly

Yeah, I'm okay  
Thanks for asking  
Wrote too many pointless love songs

Learn to breathe in  
Learn to breathe out  
Can't let you go  
Can't let you go yet

Learn to breathe in  
And then breathe out  
Can't let you go  
I can't let you go yet

I think I felt you  
Disappear  
Disappear  
Disappear

I know it's awful  
But I've already said my goodbyes  
And nice to see you

Maybe not you  
Lived such a little  
But loved such a lot  
Learn to breathe in  
Learn to breathe out  
Can't let you go  
Can't let you go yet

Learn to breathe in  
And then breathe out  
Can't let you go  
I can't let you go yet

I saw a sparkle  
Felt a tremor  
Then I thought I saw you in the mirror

But I must be crazy  
I must have lost my mind  
Cause I'm running late over half the time
