I am strong, I am not weak
I am not in a place where I can talk to you
I am not hot, I am not cold
I am not for sale, for I am sold

I am strong, I am not weak
I am not in a place where I can talk to you
I am not hot, I am not cold
I am not for sale, I am sold
I built this house, it took quite long
Sticks and stones, I made it strong
I locked it up, I gave you a key
But you didn't come home to me

I am strong, I am not weak
I am not in a place where I can talk to you
I am not hot, I am not cold
I am not for sale, I am sold
I am unaffected, yet quite confused
In a state of non security, of non security

I laugh a lot before I cry
I don't understand how you could lie to me
How you could lie to me

I am strong, I am not weak
I am not in a place where I can talk to you
I am not hot, I am not cold
I am not for sale, I am sold
I am not a prisoner, yet I'm not free
I lost my mind, but I can see
I feel a witch upon my back
She stole my soul, I want it back

I am strong, I am not weak
I am not in a place where I can talk to you
I am not hot, I am not cold
I am not for sale, for I am sold

I am sold, I am sold
