Desfrutar de ti

Oh, yeah yeah yeah, oh, yeah

You know I'm comin' though hotter, drip sweat meltin'
ya collar
Afu-Ra takin' care like I'm ya father
Some call me papa though I'm rollin' with the rastas
Straight up and down, I'm like the sauce over the pasta

I'm well connected to all my people's doin' salsa
One of my trademarks, you'll catch me drinkin' Malta
You need some paprika to freak the
I let you know I came through just to reach ya

I do it one more time, bless this feature
Will take with nothin' unlike self I mover
Heat it right up, burnin' like it's lava
Test you leavin' with hoes like Godfather

Sounds soakin' off honeys like it was lather
Study lessons and plant seeds to nurture
Praise due to this, show and prove with this
Knowledge yourself, Life Force'll make you move with
this

No hay nada, que me sostenga
Yo estoy lista, para desfrutar de ti
Quiero tu calor, arridedor, de me ser

Oh, oh, oh, there's just nothin'
That can keep me from you, you, you, oh oh oh
Said, there's just nothin' when all I want
[Incomprehensible]

Sound Bombing number one right, hate blow it like it's
dynamite
Destined to keep ya molecules shakin' right
Flippin' my script as if I was a gymnast
I'm fusin' coasts together like I'm a chemist

Ayyo, you leavin' the party, yo, it ain't finished

A dred shakin' so hearty, so what's your business
You callin' my cell phone, sayin', "Who is this?"
I throw it down to expand my interest

I take it higher to master engraver
You know the chicas want that papi chulo flavor
I do it for the north, south, east, west behavior
Wait a minute, hold up yo, yo, there go my pager

Beeper beepin', ringin', comin' from my celli
If ya ever had days like this, then tell me
Praise due to this, show and prove with this
Knowledge yourself, Life Force'll make you move with
this

No hay nada, que me sostenga
Yo estoy lista, para disfrutar de ti
Quiero tu calor, arridedor, de me ser

Oh, oh, oh, there's just nothin'
That can keep me from you, you, you
Oh, oh, oh, there's just nothin'
That can keep me from you, you, you, you

Oh oh oh oh, there's just nothin'
That can keep me from you, from you, yeah yeah yeah
