Self destruct
We've lost all control
Self destruct
Defy all the trust you stole
Self destruct
I think you sold us all
I feel your stranglehold

Self destruct
We've lost all control
Self destruct
Defy all the trust you stole
Self destruct
I think you sold us all
I feel your stranglehold grow tighter with time
We stand in line to fall

Keep an eye on us, we surrender
Steal our thoughts so we don't think at all
A different view, a new offender
Monitor the world and watch us crawl

Now we're silent and in submission
Steal our thoughts so we don't think at all
Single file, we're in position
Push the button, we start our own downfall

Self destruct
We've lost all control
Self destruct
Defy all the trust you stole
Self destruct
I think you sold us all
I feel your stranglehold

Self destruct
We've lost all control
Self destruct
Defy all the trust you stole
Self destruct
I think you sold us all

I feel your stranglehold grow tighter with time
We stand in line to fall

Keep an eye on us, we surrender
Steal our thoughts so we don't think at all
A different view, a new offender
Monitor the world and watch us crawl

Now we're silent and in submission
Steal our thoughts so we don't think at all
Single file, we're in position
Push the button, we start our own downfall

Self destruct
We've lost all control
Self destruct
Defy all the trust you stole
Self destruct
I think you sold us all
I feel your stranglehold

Self destruct
We've lost all control
Self destruct
Defy all the trust you stole
Self destruct
I think you sold us all
I feel your stranglehold grow tighter with time
We stand in line to fall

Without a sound, we're deadly silent
Accepting it all as we follow the path to our fall
We fall and they crawl
Over all of the bodies, it's our self-destruction, that's all

Without a sound, we're deadly silent
Accepting it all as we follow the path to our fall
We fall and they crawl
Over all of the bodies, it's our self-destruction

Self destruct
We've lost all control
Self destruct
Defy all the trust you stole
Self destruct
I think you sold us all
I feel your stranglehold

Self destruct
We've lost all control
Self destruct

Defy all the trust you stole
Self destruct
I think you sold us all
I feel your stranglehold grow tighter with time
We stand in line to fall
I feel your stranglehold grow tighter with time
We stand in line to self destruct
