C'mon out to play
hear the mermaid say
rivers sweep and bend
the sea can be your friend
(i'm falling.....where do we meet?)
(i'm falling.....where do we meet?)

CHORUS

all that i wanna do
is bring it on up to you
girl all that i wanna do...is
give it all that i got--give it all up
all that i wanna do
is bring it on up to you
give it all that i got
baby all that i want
all i ever really wanted
all i ever really wanna do (2nd chorus only)

water's cool and deep
calms myself to sleep
stay or swim to shore
play for evermore
(i'm calling.....where do we meet?)
(i'm falling.....where do we meet?)

REPEAT CHORUS

BRIDGE

and i don't---i don't wanna go
and i won't--i ain't goin' home
i really wanna fly
i really wanna fly
and i don't---i don't wanna go
and i won't--i ain't goin' home
call out your name 'cause i just wanna hear it
say it again but my heart ain't in it
just can't change in the flash of a minute
--i try to laugh.....try to laugh
call out your name ' cause i just wanna hear it

say it again but my heart ain't in it
just can't change in the flash of a minute
--try to laugh..... i try to laught

REPEAT CHORUS
