"Heavy Boots"

Let's bury the hatchet
let's bury it deep and do what it takes
light a wet book of matches
let's run for our lives cause our lies are at stake
let's blow this dump
deliver up the daughter
dare her to jump
let's chain up the metal
put down your foot to the pedal
well then, it's all been settled:

CHORUS

damn these Heavy Boots
pull out these roots
cause these boots are heavy
damn these Heavy Boots
kick off these shoes
cause these boots are heavy
slam these heavy boots
right into these roots
cause these boots are heavy
so let's damn Heavy Boots
damn these Heavy Boots

fist in a deadlock
it rubbed me so wrong, the wrong way like ash
ego frisked from a headlock
scruples as raw, as raw as cold cash
dig in the dirt, dig in my heels
kick it where it hurts, know how it feels
ya gotta shave the persona,
hey baby slave what you wanna
but unshackle your feet, and

REPEAT CHORUS

BRIDGE

let's blur the intentions
and smudge what it stands for
reserve the pretentions
for those who judge what we dance for

let's get pissed
and buck the system
get our psyche's kissed
while our flesh is twistin
it's not very often this army recruits
so let's go Dancing In Heavy Boots.
