Sensitive word
A catch in your voice
Slow temper rise
Above the noise

My ear to the wall
I hear you laugh
Nobody hears
The other half
The other half...

CHORUS
I know Intimate Secrets
Something about you
All your Intimate Secrets...
I know Intimate Secrets
Something about you
All your Intimate Secrets

Everything spins
When you close your eyes
Nobody ever told you
Otherwise

How can I watch your precious world
Scatter like a broken,
Scatter like a broken string of pearls

CHORUS
I know Intimate Secrets
Something about you
All your Intimate Secrets...
I know Intimate Secrets
Something about you
All your Intimate Secrets

BRIDGE
Do you see through the wall that divides us?
Who hears who from behind the shelter that hides us?
Two closed doors and the floor below me
You walk by and just the same, you don't even know me

CHORUS

I know Intimate Secrets
Something about you
All your Intimate Secrets...
I know Intimate Secrets
Something about you
All your Intimate Secrets
