Checking (account)
Inflation's got me overdrawn
And my sable socks are worn

Timing... (good timing)
You don't fit this master plan
And your checks will pay for my new tan

CHORUS
When it's over I can take my business anywhere
When it's over where I put it is my own affair

Table for two? ...ten in the palm
Motion to the maitre'd
Bring on a tall black Russian for me

Blame it (...on credit)
Charge it to that Bourgeoisie
Don't forget the appetizers please

CHORUS
When it's over I'm gonna spell it out with common cents
When it's over I'm gonna make you sign the documents

BRIDGE
Money in the bank, money in the bank - get your
Money in the bank - come and get your
Money in the bank, money in the bank - get your
Money in the bank - come and get your...
