I don't want to run your life  
Or try to tell you what to do  
Oh but babe it seems I never ever get enough of you  
My fortune teller tells me you're the kind of man that I  
should try to lose  
What she don't know is no man's ever turned me on the  
way you do

### CHORUS

C'mon baby  
Make It Last  
C'mon baby  
Make It Last

You call me on the phone  
Whisper all the words I love to hear  
Then you come around my door  
Saying you only got one hour to spare  
My crystal ball is spinning  
Telling me I'm gonna get a good man soon  
But right now honey ain't no man that turns me on  
The way you do

### CHORUS

C'mon baby  
Make It Last  
C'mon baby  
Make It Last

### BRIDGE

Uh-huh let's dance the night away  
Oh if only you would try to stay  
Uh-huh you're such a busy man  
And I'm trying to do the best I can  
So stay a little longer just a little longer  
Try to make the evening last
