Give me Milk & Honey, honey
Spice the recipe
Pledge allegiance to the good sweet life
Light the light for me

Taste the Milk & Honey, honey
Make me come alive
Make my cup runneth over 'til
Two and two make five

CHORUS

Honey, honey I've had the best
Honey 'til they lay me to rest
You should have been there,
You should have been there...
do-do-do-do do-do-do
do-do-do-do do-do-do
do-do-do-do do-do-do

Turn on Milk & Honey, honey
Make my case for me
Don't throw me crumbs from the table, yeah
Give me the good life and the liberty

Taste the Milk & Honey
Make me come alive
Make my cup runneth over 'til
Two and two make five

CHORUS

Honey, honey I've had the best
Honey 'til they lay me to rest
You should have been there,
You should have been there...
do-do-do-do do-do-do
do-do-do-do do-do-do
do-do-do-do do-do-do
