Did you see me wasting so much time on candy bliss?
Please believe me I would give it all up for your kiss

Can deliver but I don't know where you're living any
more
Feel so close and then I feel so far away from your
door

If you leave me wasting so much time on candy bliss
Please believe me there's so much about you I would
miss

Can deliver but I don't know where you're living any
more
Feel so close and then I feel so far away from your
door

If you could take me dead or alive
If you could make this feeling subside
If you could take me dead or alive
Dead or alive

Can deliver but I don't know where you're living any
more
Feel so close and then I feel so far away from your
door

If you could take me dead or alive
If you could make this feeling subside
If you could take me dead or alive
Dead or alive
