

Pomegranate "The Prize"

Visit "[The Prize](#)" on MotoLyrics.com

Did you say
All that you meant to say
Wait no longer for the prize

Wait so long
For the medicine in a song
Wait no longer for the prize

On this day
Problems will fade away
I'll wait no longer for the prize

Did you face
The things that you meant to face
Wait no longer
Wait no longer

Hold on
Money won't mean a thing
Hold on
Love before anything

Hold on
Money won't mean a thing
Hold on
Love before anything

Hold on, hold on
Hold on, hold on
