If you think you need some money
Well honey that's just funny
Cause I got none
(ain't got no money, ain't got no money)
If you just want conversation
Go somewhere in the nation
Not my house
(my house, my house, my house)
But if you think you need some lovin
That's fine

Cause if you think you need some money
Well you can't have mine
If you want some conversation
Try a pick up line
But if you think you need some lovin
That's fine

If you think a need shrink
You draining down the sink
Well go take a hike
(ain't got no time for your baggage)
If you think you need a fix
Don't put me in the mix
Just stick to wine
(wine wine wine wine)
But if you think you need some lovin
That's fine

Cause if you think you need a shrink
Well I'm out of a time
If you think you need a fix
I'm not the fixing kind
If you think you need some lovin
Well that's fine
