Stop callin', stop callin', I don' wanna think anymore
I left my head and my heart

Just a second, its my favorite song they're gonna play
And I cannot text you with a drink in my hand, eh?
You should've made some plans with me, you knew
that I was free
But now you won't stop calling me, I'm kinda busy

Stop callin', stop callin', I don' wanna think anymore
I left my head and my heart on the dance floor
Stop callin', stop callin', I don't wanna talk anymore
I left my head and my heart on the dance floor

Stop telephonin' me
I'm busy
Stop telephonin' me

Stop callin', stop callin', I don' wanna think anymore
I left my head and my heart on the dance floor
Stop callin', stop callin', I don't wanna talk anymore
I left my head and my heart on the dance floor

The way you blowin' up my phone
Won't make me leave no faster
Put my coat on faster
Leave my girls no faster

Should've left my phone at home
'Cause this is a disaster
Callin' like a collector

Call all you want but there's no one home
& you're not going to reach my telephone
Call all you want but there's no one home
& you're not going to reach my telephone
I'm busy

Stop callin', stop callin', I don' wanna think anymore
I left my head and my heart on the dance floor
Stop callin', stop callin', I don't wanna talk anymore

I left my head and my heart on the dance floor
