Close Friends
Poni Tails

Close friends,
Ahh, ahh,
I hope that you don't tell,
Close friends,
Ahh, ahh,
I think we're doing well,

I love you darling,
More than I can say,
I need you darling,
Every minute of the day,
I'm sorry now,
For the things I didn't do,
But must we spend our lives,
Just being close friends.

Ahh, ahh,
I ask you not to say,
Ahh, ahh,
Don't think of us that way,

So baby, please come back,
To me, someday,
You went away,
You left me all alone and blue,
You won't believe this,
But I'm still in love with you,

I'm sorry now,
For the things I didn't do,
Or must we spend our lives,
Just being close friends.
