I want... seven minutes in heaven...  
Give me up 'til eleven,  
Remember who you met,  
When you were in your dreams.

(Chorus)  
Papa, come on,  
And be a trouper, trouper,  
Papa, come on,  
Don't be a party pooper,  
Oh, won't you say it's alright then...  
To lower the lights 'cause...  
I want... seven minutes in heaven...  
Give me up 'til eleven,  
Remember who you met,  
When you were in your dreams!

(Repeat chorus)

Seven minutes ain't much,  
No, no,  
And I love him so much,  
Yeah, yeah,

(Fade out here)

Seven minutes ain't much,  
No, no,  
And I love him so much,  
Yeah, yeah...
