Did you let go? (let go)  
Did you let everyone know? (Oooh)  
Did you let go? (let go)  
Now I am begging to go (Oooh)

I don't wanna go back, don't wanna go (Baaaack)  
Did you let go? (let go)  
Did you put God in a box

I did not wanna go  
Here is all that I have! (Once we were gone)  
I did not wanna go  
You were all that I had left  
Now you're gone

I did not wanna go  
Fear is all that I feel! (Once we were gone)  
I did not wanna go  
Faith is all that I can trust  
Now I'm lost

Did you let go? (let go)  
Did you let everyone know? (Oooh)  
Did you let go? (let go)  
Did you put God in a box

Oooh-oooooh (x?)

I did not wanna go  
Here is all that I have! (Once we were gone)  
I did not wanna go  
You were all that I had left  
Now you're gone

I did not wanna go  
Fear is all that I feel! (Once we were gone)  
I did not wanna go  
Faith is all that I can trust  
Now I'm lost

777 - hang on  
I don't get no - 666

And then nobody else said - 555  
Now don't get me wrong, cause (you're the one)  
Yes, you're the one

777 - hang on  
I don't get no - 666  
And then nobody else said - 555  
Now don't get me wrong, cause (you're the one)  
Yes, you're the one

Love is lost but hope is found  
We are - dying with our repertoire  
Now I'm gone  
And you're gone  
And we're gone  
We're gone gone
