One two four three I hit the wall
I could not feel good at all
Now just go away
My life is in your way

I don't know where to go
I feel all alone
Now just go away
My life is in your way

You love to live love to have free will
Hey! La lala lala
(The boy is dead)
Now get away

You love to live love to have free will
Hey! La lala lala
(The boy is dead)
Now go

One two four three I hit the wall
I could not feel good at all
Now just go away
My life is in your way

You love to live love to have free will
Hey! La lala lala
(The boy is dead)
Now get away

You love to live love to have free will
Hey! La lala lala
(The boy is dead)
The boy is dead

Interlude

Get away
Get away
The boy is dead now, the boy
The boy is dead now, the boy

Now get away
The boy is dead now

The boy is dead now, the boy
The boy is dead now, the boy
The boy is dead
