You were my heart, you were my soul
You were my home, you were my all
You were on your own

The red shoes say I had fun
I was a child, you had them on
You were on your own

Let's go

Walk the shame
For you-ou-ou-ou
Talk to rain
I walk the shame
For you-ou-ou-ou
Aaa-Aaa-Aaa-Aaa

You were my heart, you were my soul
You were my cold I could not hold
You were on your own

The red shoes that you had on
Is going back now you are gone
You were on your own

Walk the shame
For you-ou-ou-ou
Talk to rain
I walk the shame
For you-ou-ou-ou
Aaa-Aaa-Aaa-Aaa

Aaa-Aaa-Aaa-Aaa (x8)

Walk the shame
Aaa-Aaa-Aaa-Aaa
Talk to rain
I walk the shame
For you-ou-ou-ou
Aaa-Aaa-Aaa-Aaa
