You know his make, his model and his number
And still you sit back and watch yourself get suckered
Oh, he tries some women like shoes
And he has nothing left, nothing left to lose

Oh, I want you to be just like me
So sit back and see only what you want to see
Oh, I can hear you holding your breath
It will ring in my ears until I go deaf

Ooo..ooo...ooo...

Oh, your hair is shiny
And your eyes are wide
And your smile is scary
'Cause there's nothing inside
And I think you've gone crazy
'Cause you're eating the rapper
And you've thrown out the candy
And I don't know what I've done to deserve you
To deserve you
To deserve you
To deserve you
