Rollerskating down the main  
The laundromat will always change  
My thoughts they remain the same  
I'm so out of style  
Here, the floor won't give way  
Cause here with me, you will stay  
My rollerskates won't make me fall  
You are here to catch me

Here you kiss me, and you mean it  
Marlon Brando's laundromat  
There's nothing you can't save me from,  
but I can't save myself

Marlon's never here to see the dryers  
always break,  
but I'd rather be with you, asleep  
than anywhere awake.

Here you kiss me, and you mean it  
Marlon Brando's laundromat  
There's nothing you can save me from  
I can't save myself

Tonight, all my clothes are dirty  
Tonight  
Tonight, Marlon help me wash my clothes  
Tonight  
Tonight, I'm staying home and I'll sleep tight.

Marlon's never here to see the dryers  
always break,  
but I'd rather be with you, asleep  
than anywhere awake
