[Slush "The Villain"]

I know you need me baby  
I know you need me now  
I know you need my thug love  
Any where any how  
So baby what don't you call me  
And maybe I can be your Slush Papi  
And you can be my Mami  
I'll be there when you need thug love in your life  
Baby your husband ain't gon be home  
Let's hook up tonight  
I'll be there at the spot 8:11 on dot  
In my low 57 Chevy drop  
But mia when I go pick you up  
You best be ready for me  
Wet dream fantasy become reality  
No lie so when you slide let the ride set a side  
Adore me by the the orgies multiply  
Tellin me gettin me sayin it with your eyes  
Makin it x-rated drinkin Allizey and gettin high  
I fin to get next to you baby and flex with you  
Body chemistry tellin me to have sex with you

[Chorus: Slush "The Villain"]

I'll be there when you need thug love in your life  
Baby your husband ain't gon be home  
Let's hook up tonight  
[4x]

[Knightowl]

I'll be there through it all  
Like I said it's a booty call  
Baby doll  
Come and take a ride with me  
And let me show you  
What it feels like to be a women  
When you feel the pain  
Yell my mothafuckin name  
Feel the trust as I bust nuts  
All in you guts  
And let you see what you would be

If it wasn't for me  
Cause I'm the one  
That made you feel like a lady  
And now you're beggin me  
To give you a baby  
You want me to fuck you  
Want me to suck you  
But I'm not gonna stick you  
Don't wanna dick you  
I want somebody else  
But the bitch got a man  
When that fool goes to work  
Time to fuck thats the plan  
Is it Hotel Motel of Holiday Inn  
All I wanna do  
Is put my mothafuckin dick in,  
Give you stick in  
Til that shit get's finger lickin  
Now just imagine when the orgasims kick in

[Chorus]

[Slush "The Villain"]  
To all them girls that used to diss me  
Cryin cause they miss me  
Now even if you had the chance  
You couldn't kiss me  
Remember when you wouldn't even talk to me  
Like ducks goin south you gonna flock to me  
Callin my papi straight jockin me and  
Sayin Slush would you past the cock to me  
But I'ma thug with no love  
Baby I'm true to the city  
Just bein able to say hi to me now  
Be a privelage

[Knightowl]  
You want me to make love to ya  
You want me to do ya  
You wanna be my girl so I can screw ya  
You must have some money  
I ain't try to get funny  
That's what you need  
If you wanna be my hunny  
Let's get specific  
You know that I'm terrific  
Incredible and what I got for you  
Is edible, taxin and climaxin  
Til we drop  
But it feels so good baby doll  
Don't ever stop

[Chorus]

[Knightowl (Talkin)]  
That's right baby [baby]  
What you talkin bout [bout]  
You want some of these fool [fool]  
Why don't you let me  
And my boy Slush "The Villain" [Villain]  
Creep up to that window [window]  
Hit them skins baby [baby]  
Get them drawls down [down]  
Get you doggie style [style]  
Make you bark like a bitch
