{Wise Intelligent  
The beneficent  
Teacher, Wise Intelligent  
Tell me teacher where you been?  
Make a way for me to go for mine!  
Like Barry White in the Secret Garden  
Am I gonna rock em? Pardon?  
Sho' you right!! (Wise & C-Free)  
Might go, stumble in a disco  
No blunts! No stunts! And I'm anti-cisco!  
Now feeling a Heineken  
Wise about to shine again  
This is total five per-cent business!  
Say! Can I get some time?  
To rock a rhyme, hope so  
Heal the deaf, the dumb, the blind, Yes! Yo  
Strictly ghetto noise is what I'm talking about!  
And PRT p-osse come to file it out!  
I'll drop this, sissies try to top this  
Why don't they stop this?  
Madness!  
Girls the girls  
With attitude  
Till they come to get lick down  
By the sound of a soul!  
Rolling, teacher soul controlling  
Shaheed on the tunes and flares  
Kicks and snares high hats  
Culture and the Wise rap  
Teachers dealt the format  
Cuzz, blacks got to have that  
Watch close, PRT, we be the most  
Can I say I raise a toast?  
To our dopeness  
Boy, follow we  
They beg us do the knowledge g?  
This be such a sight to see  
It's PRT once more

{DJ Shaheed - scratching  
"Yeah y'all c'mon, Here we go again!" (Public Enemy)

"Here we go, Here we go, Here we, Here we, Here we  
go! (Run DMC) 4x

{Wise Intelligent  
Here I go Shaheed  
Now could you slow this up?  
Culture check one two  
While I blow shit up!  
A one two, a one two (Culture Freedom)  
Now watch me cuss  
PRT be dangerous  
And we always was  
I am a danger  
I gotcha head banger  
Lyrically I'll hang ya'  
Because I'm ten times tough  
Yet I'm your teacher  
So I choose to teach ya'  
This a double feature  
Me and the kids I crush  
I just layback  
Never let no pussy catch  
Me with no poison  
Cuzz I'm King!  
See  
They wouldn't catch me wit there poison (Wise and  
Culture)  
????????????????????  
See me, I am the voice of the pro  
C-Free, we PRT  
Yo they know  
And that's a fact aayy!!  
We are leaders of the pack  
And that's a fact say!!  
This ghetto thing is all of that  
After serving justice you could learn from Wise  
People of the world know we deserve the prize  
Watch close, PRT, we be the most  
Can I say I raise a toast?  
To my dopeness  
Boy, follow we  
They beg us do the knowledge g?  
This be such a sight to see  
It's PRT once more

Mr. Culture Freedom with the crazy I'll style  
Making everybody want to get buckwild!  
Hitting all the suckers like boom, bang, pow!  
When you see me coming don't laugh or smile!  
Switching up the flav  
Cuzz I know I could do it  
Write the funky raps  
Then I run right through it  
Some get ill  
And might want to boo it  
But no matter whatever  
The Culture Freedom sticks to it  
Some don't know  
So yo got to flow  
Smash up sets  
Then quick out the door  
Getting mo' money, mo' money, mo',mo'  
THAT'S HOW IT IS WHEN YOUR'E A HIPHOP HO!
