So take a look at the Gods!!
Built the blacks
All that attack
perceive the beats

Tell me what's up
You wanna take my square
I'm like "Who, What, When, Where?"
We can do this n' get it done
Face to face
Pocket the pipe punk
Stop poppin' da base
Let the lord proceed
take heed ta what's right
As I feed the greed
Indeed...I bust the mic.
I'm blowin n' glowin
and growin' n' going for mine.
