

## Pop Girls "My Love"

Visit "[My Love](#)" on MotoLyrics.com

First time, no reservations  
Nilapitan mo  
After I became your girl  
You became my boy  
As now magkasama tayo  
At laging masaya~ah  
And I, I just can't contain my joy  
And I'm just so thankful

Refrain:  
You lift me high above the ground  
If this is love then  
I don't wanna let you go~oh

Chorus:  
Ngayon lamang unang nadama  
(Because of you)  
Puso ko ay naging maligaya  
(I just can't stop)  
Ayaw tumigil mga ngiti  
At gusto ko palaging nadidinig  
When you say I am your love

My love, my love, my love  
My love, my love, my love

First love, I don't understand why I feel this way  
Young love, sabi nila sa atin  
Huwag seryosohin  
I am, I am your best friend  
Always here for you~ou  
You are, you are the boyfriend  
And the friend, that I can always run to

(Repeat Refrain)

(Repeat Chorus)

Oh you touched my life  
It's good to be on and free  
When we're together  
It feels like we could reach the sky

And make this dreams so high

(Repeat Chorus 2x)

My love, my love, my love, my love  
My love, my love, my love, my love  
When you say I am your love  
My love, my love, my love, my love  
My love, my love, my love, my love  
My love, my love, my love, my love  
My love...  
When you say I am your love  
When you say I am your love
