I'm tryna tryna
I'm tryna tryna
I'm tryna think of ways
Baby I can make you scream (scream)
Make you scream
I'm tryna think of ways
I can make you scream (scream)
Baby I can make you scream
I'm a lick you up with yo favorite ice cream
While I'm grippin yo thighs
Kissin on yo thighs
Lickin on yo thighs
Lickin inside
I'm a kiss yo neck
Have u drippin down yo leg
We can start on the floor
N move to the bed
I am
The man
Made for satisfaction
We can take it to the bedroom girl
Play roles and get nasty
Shawty I'm a freak
Letz play in the sheetz
Like the sex rated R
I'm a make u scream
I'm beatin down yo walls
While I'm lickin u dwn
From the back
Street girl with a story to tell
Hit it from da back
While I'm grippin yo shoulders
It's pleasure on yo bed
While I'm bendin u over
When u see me
U gon wanna jump on it
The look in yo eyes
I can tell that u want it
We can take it there
Or we can take it slow
Shawty it don't matter
Just let me know

I'm tryna tryna
I'm tryna tryna
I'm tryna think of ways
Baby I can make you scream (scream)
Make you scream
I'm tryna think of ways
I can make you scream (scream)
Baby I can make you scream

I'm tryna get you right
Get how I like shawty
Get in the bedroom
Get u where I like shawty
And um I'm tryna get a quick cum
I can make u bite yo lip
While I'm sucking on yo tounge
Panies soak n wet
Cause I'm kissin up on yo nipples
Rub on a nigga while I play with u in the middle
U wanna play fetch
Come play with a stick
I'm a young nigga
But u be suprised by ma lick
(Record your message after the tone: damn daddy)
Yup killin ya walls
Bringin ya draws like down
Beatin ya jaws wen I hear dat sound (dat sound)
Dat dat dat scream
When it come dwn to sex
Babygirl I'm the king
