Ow!

Pick me up, pick me up, pick me up
Uppercut, uppercut, uppercut
I need a pick me up, pick me up, pick me up
Uppercut, uppercut, uppercut

Honey when I dance I dance I dance for you
(The alligator! The alligator!)
Honey in my pants my pants my pants for you
(I'll see you later! I'll see you later!)
But will you remember-member-member me?
(Break! Break! Break! Break!)
Givin' you my ener-ener-ener-gy
(Uh! Uh! A-hoo!)

Showing you my face my face my face is fine
(It could be greater! It could be greater!)
Staying at your place your place I'll have to decline
(I'll see you later! I'll see you later!)
Girl will you remember-ember-ember me?
(Shake! Shake! Shake! Shake!)
Givin' you my ener-ener-ener-gy
(Uh! Uh! A-hoo!)

I need a pick me up, pick me up, pick me up
(You need a pick me up!)
Uppercut, uppercut, uppercut
(You need an uppercut!)
I need a pick me up, pick me up, pick me up
(You need a pick me up!)
Uppercut, uppercut, uppercut

Cause when you're givin' me the lovin' I can
I just find myself another man
