"It was an African day like most African days
Hot humid, and miserable"

(Ice Cube)

The Jungle Man is the king of the jungle
Bout as strong as he can be

(Maulkie)

Cause I'm a G with the LM

You better run and tell em

The trick ass bitches are gettin dumped in the ditches

All day so you know it's all good

I'm off from token more like Masta Goden

I'm iceberg slim, cause I'm cool like that

I'm gee like that, a girl-handed gat

It ain't no thang for me to watch people hang

Cause he don't wanna rumble in my motherfuckin
jungle

(Ice Cube)

Short dog is the king of the jungle

Bout as strong as he can be

(Shorty)

Cause I'ma G, sippin on the tropical thriller

You hear the roar, down boy it's my big gorilla killer

As the bad guy, lookin for an alibi

Don't swing by on the peril vines

Go to the finish, big Texas is next

Stuck him in the neck and I'm beatin on my chest

(Ice Cube)

T-Bone is the king of the jungle

Bout as strong as he can be

(T-Bone)

Cause I'ma G, get back as I gat at the fear

I pack my gear with the hard rock tip I digs it in the dip

Out of the dip comes a thrill with the pointed tip

The devil don't do shit, I keeps my hand on my bamboo
spear

Oh dear, I smell fear coming from the rear of the
jungle

No wonder, he's done hoe

Niggaz find the bozo oh no, the king of the jungle

(CHORUS)

I'm the k-k-k-k-k-k-k-k-k-k-king
I'm the k-k-k-k-k-k-k-k-k-k-king
I'm the k-k-k-k-k-k-k-k-k-k-king
I'm the k-k-k-k-k-k-k-k-k-k-king
Uh get upa, get down

Get on upa, get down
Get on upa, get down
Get on upa get down

(Ice Cube)

The jungle man is the king of the jungle
Bout as strong as he can be
(Maulkie)
Motherfuckin is talk, the Lench Mob fell off
There's no proof in his breath with the tech to get
wrecked

Gorilla pimp slappin on this hoe ass tricks
JD pick me up, oh this doll has nice tits
The Mob is deep, with the stars intention
Bestebas still killin and lynchin
Fool, this is Lench Mob so feel the wrath
Young motherfuckers don't even know the half

(Ice Cube)

Short dog is the king of the jungle
Bout as strong as he can be

(Shorty)

And that's me, deep in the jungle where the Dog is the
one

Let me count a gun on the singular drum
Dum, ditty dum ditty ditty dum dum
Here we come here we come, here we kitty come come
Bring the thunder the black magic wonder
Lench mob'll get 'cha just don't whip me with no whip
Razzamatazz I do a drive like Shabazz
I blast from the past, hittin that ass

(Ice Cube)

T-Bone is the king of the jungle
Bout as strong as he can be

(T-Bone)

Who me? "Yes" Back to the jungle vines swingin
Ding a linging broke a neck back and lookin for some
red neck crackas

Rigged and givin the fuckin shit when I check 1, 2
Devil what you wanna do???

When you see the voo doo, you ask who's who
The Lench mob crew, we comin brand new
So check it, can I wreck it for a second?

(CHORUS)
