i still feel the break of dawn  
no sleep, she's still glowing  
and i free the memory  
always within reach  
lights out  
power shut  
digits glow  
they count the moments  
she knows everything  
on the floor  
my room  
i know  
(baby i know)  
only  
(only this time)  
this time  
only  
(baby i know)  
just this  
(only this time)  
one time

and i breathe  
she inhales sea breeze  
i'm just breathing sportsocks  
battledress on the floor  
this is my room  
i know  
(baby i know)  
only  
(only this time)  
this time  
only  
(baby i know)  
just this  
(only this time)  
one time  
neversleeper

tender strangler  
i still feel the break of dawn  
no sleep

she's still glowing  
and i free the memory  
always within reach  
fast hands  
sleepy hands  
my hands  
she knows everything  
on the floor  
this is my room  
i know  
(baby i know)  
only  
(only this time)  
this time  
only  
(baby i know)  
just this  
(only this time)  
one time.
