she said she sad
she sad she lonely
lost in her room
she mad she go
she cry she smoke
rosie in bloom

she is so high
she is so low
day after day
so

she said she sad
she sad she lonely
open your eyes

riding to rosie
rosie sixteen
rosie awakes in the morning
riding to rosie
where have you been
rosie is sick of the weather

long time no see
long time no rosie
I like to swim
every now and then
she swim she wet
she out she dry
play in the sand
with a plastic boy

riding to rosie
rosie sixteen
rosie is sick of the weather
riding to rosie
where have you been
rosie is never together

she said she sad
she said she lonely
lost in her room

she mad she go
she cry she smoke
rosie in bloom

riding to rosie
rosie sixteen
rosie is sick of the weather
riding to rosie
where have you been
rosie is never together
